This vehicle history report is based on [information](https://www.carfax.ca/vehicle-history-data) (https://www.carfax.ca/vehicle-history-data) that was reported and available to CARFAX Canada as of July 27, 2026 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

## Open Recalls

Recall #: 75B | 2019 & 2021-2024 DT ABS Module Configuration Mismatch | Recall Date: 2024 Sep 12

### Recall Description

Federal Motor Vehicle Safety Standard ("FMVSS") 571.126 S5.1.2 ESC Functionality requires that the ESC system "Is operational during all phases of driving including acceleration, coasting, and deceleration (including braking) [ ... ]." Suspect vehicles may experience the ESC system being disabled when certain conditions are met.

### Remedy

FCA US will conduct a voluntary safety recall on all affected vehicles to update the ABS control module software.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact RAM or visit [Ram's website](https://www.mopar.com/en-ca/my-vehicle/recalls/search.html). (<https://www.mopar.com/en-ca/my-vehicle/recalls/search.html>)

Recall #: A1B | 2023-2024 DT Turn Signal Lever Latch | Recall Date: 2024 Oct 08

### Recall Description

Some 2023 and 2024 MY Ram 1500 trucks may have been built with a steering column control module ("SCCM") where mechanisms within the turn signal lever experience an interference condition. Federal Motor Vehicle Safety Standard ("FMVSS") 571.108 S9.1.1 requires that "The turn signal operating unit must be self-canceling by steering wheel rotation and capable of cancellation by a manually operated control." A SCCM with an interference condition may not allow the self-canceling feature to function correctly.

### Remedy

FCA US will conduct a voluntary safety recall on all affected vehicles to inspect and if necessary, replace the SCCM.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact RAM or visit [Ram's website](https://www.mopar.com/en-ca/my-vehicle/recalls/search.html). This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
